EXPERIENCE

Talent Acquisition Specialist, Tech Mahindra

May 2023 – Jan 2026

- Managed end-to-end recruitment lifecycle for IT and non-IT roles, including requirement intake, sourcing, screening, interview coordination, offer negotiation, and joining follow-up.
- Supported domestic and US/UK staffing requirements across multiple business units, working on lateral, bulk, contract, and permanent hiring needs.
- Handled high-volume hiring across multiple teams while meeting aggressive turnaround time targets, define candidate profiles and maintaining hiring quality.
- Partnered with hiring managers to understand role requirements and build effective sourcing strategies.
- Conducted HR screenings to assess experience relevance, communication skills, notice period, compensation expectations, work authorization where applicable, and role fitment.
- Consistently achieved monthly hiring targets by closing **10+ positions per quarter**, while maintaining strong candidate quality and stakeholder satisfaction.

Recruitment Specialist, Razorpay

Jan 2020 – May 2023

- Led hiring for technology, product, business, and support roles in a fast-paced startup environment.
- Supported domestic and international recruitment requirements, including US/UK staffing coordination.
- Sourced and screened candidates for technical and non-technical roles, evaluating skills, experience, notice period, compensation expectations, and overall alignment with business needs.
- Implemented data-driven recruitment strategies to reduce time-to-hire and improve candidate conversion rates.
- Improved candidate experience through personalized communication, structured follow-ups, and timely updates throughout the recruitment cycle.
- Contributed to employer branding by maintaining professional candidate engagement and representing the company culture effectively.

HR & Community Hiring, Dinzy Foods

May 2019 – Dec 2020

- Supported community-based hiring by identifying and onboarding women agents for the sale of organic grocery buckets within their local networks.
- Communicated with prospective agents, explained the earning opportunity, and supported onboarding-related coordination.
- Helped create employment opportunities for women seeking work-from-home income support during a challenging economic period.
- Developed practical skills in communication, people management, community outreach, sales coordination, and grassroots hiring.

SKILLS

- **Job Portals:** Naukri, LinkedIn Recruiter, Indeed, Instahyre, Greenhouse, Workday, Internal Databases
- **Productivity & Collaboration:** Google Workspace, Slack, Zoom, ATS, HRMS, Darwinbox, Keka
- **Recruitment Activities:** Boolean Search, Resume Screening, Candidate Pipeline Management, Interview Scheduling, Offer Follow-up, Recruitment Trackers
- **Global Staffing:** US/UK Staffing Support, Time Zone Coordination, Candidate Availability Checks
- **Reporting:** MS Office, Google Sheets, Hiring Funnel Reports, Candidate Status Reports, TAT Tracking
- **Core Competencies:** End-to-End Recruitment, US/UK Staffing Support, Contract & Permanent Hiring, Candidate Sourcing, Stakeholder Management, Employer Branding, Job Portal Management, Interview Scheduling

KEY ACHIEVEMENTS

- Successfully managed high-volume and lateral hiring across enterprise and startup environments.
- Built strong candidate pipelines for technology, product, business, and support functions.
- Improved candidate engagement through structured communication, timely follow-ups, and smoother interview coordination.
- Supported hiring managers with role understanding, sourcing strategy, and market availability insights.
