EXPERIENCE

Talent Acquisition Specialist, Tech Mahindra May 2023 – Jan 2026

- Managed end-to-end recruitment lifecycle for IT and non-IT roles, including sourcing, screening, interviewing, and offer negotiation.
- Handled high-volume hiring (lateral and bulk) across multiple business units, meeting aggressive turnaround time (TAT) targets.
- Partnered with hiring managers to understand role requirements and build effective sourcing strategies.
- Utilized job portals (Naukri, LinkedIn etc.) and internal databases to identify and attract top talent.
- Conducted initial HR screenings and coordinated technical interviews, ensuring candidate experience excellence.
- Achieved consistent hiring targets while maintaining quality-of-hire metrics.

Talent Acquisition Specialist, Razorpay Jan 2020 – May 2023

- Led hiring for tech, product, and business roles in a fast-paced startup environment.
- Built strong talent pipelines through LinkedIn sourcing, referrals, and networking strategies.
- Collaborated closely with stakeholders to define hiring needs and improve role clarity.
- Implemented data-driven recruitment strategies to reduce time-to-hire and improve candidate conversion rates.
- Enhanced employer branding by engaging candidates through personalized communication and follow-ups.
- Improved candidate experience by streamlining interview coordination and feedback loops.

HR Business Partner, Dinzy Foods May 2019 – Dec 2020

- Responsible for communicating and hiring ladies as agents for the sales of organic grocery buckets in their network.
- This is a work from home live project where I developed various management and marketing skills.
- The objective was to give employment to those ladies whose family suffered a lot in this crisis so they can support them financially.

SKILLS

- **Technical Skills:** Python, SQL, MS Office, Salesforce (CRM), HRMS, ATS
- Experience working with recruitment software such as LinkedIn Recruiter, Indeed and Glassdoor.
- Experience working with large datasets and knowledge in data visualization tools such as Tableau and Power BI.
- Good communication skills and ability to collaborate effectively with cross-functional tools such as Slack, Microsoft Teams, and Google Workspace
